Mrs Truslove writes

Happy St David's Day to you all!

I am delighted to be able to tell you all that Mrs Gibbins is making a good recovery from her surgery and feeling much better. She will not be back at school for the next few weeks but we all send her lots of love while she recuperates.

Don't forget this term each class will be leading an assembly for parents to attend:

- Green class assembly is on Friday March 8th at 9:00am.
- Blue class assembly is on Thursday March 14th at 9:00am.
- Red class assembly is on Friday March 22nd at 9:00am.

All children will be involved in their class assembly and we hope that you will be able to join us on the relevant morning/s. Words will be sent home to practise and we hope that you will enjoy supporting your child with learning their words.

Wednesday (6th March) is Parents' Evening. Thank you to those of you who have signed up and we look forward to seeing you then. Blue class appointment times have been sent out. Children in red class will bring theirs tonight.

Thursday 8th March is World Book Day and we are looking forward to seeing you all dressed up and ready to tell us about your favourite characters.

Mrs Banks/Mrs Truslove – Red class

Phonics

Reception have been reviewing the sounds which they learnt last term and reading words containing these sounds: e.g. tail, main, feel, hard, sort and town. They are also focussing on writing words with these sounds.

Year One have learnt the new spelling patterns y (making the ee sound in funny), ea (making the e sound in head), wh (making the w sound in wheel), oe (making the oa sound in toe) and ou (making the oa sound in shoulder). They have also learnt the tricky words any, many and again.

Maths

Reception have been comparing and ordering numbers to 20. We have also been assessing that the children can match a numeral to 20 with the same number of objects in a set. The children have also been estimating numbers of objects and images and are beginning to understand that teen numbers are ten plus some more.

Year One have been recognising odd and even numbers; counting objects in 5s and 10s and beginning to say 5 lots and 10 lots. They have also been finding half, quarter and three quarters of shapes, beginning to know that two halves and four quarters are a whole and that two quarters is a half.

Drawing Club

This week in Drawing Club we have focussed on the text *Are the Dinosaurs Dead, Dad?*. The children have focussed on the characters in the story such as T-Rex, the setting (the museum) and thought about how they can stop the T-Rex eating Dave and Dad! Their imaginations have been shining and they have come up with some inventive ideas! Reception have focussed on thinking of a simple caption or sentence and remembering it for writing. Year One have focussed on using exciting vocabulary such as adjectives in their sentences.

New topic- We have begun our new topic 'Dinosaurs' this week! The children have thoroughly enjoyed exploring the new provision areas, books and resources. If your child has anything dinosaur-related, which they would like to bring in to show, the class please feel free to send it into school. Thank you.

Mrs Gibbins – Green class

TAs Mrs Randall & Miss Benstead,

Next week we will be learning the 9x tables. Please keep practising your tables and spellings. All children have assembly words to practise - please help them over the weekend. Thanks.

Some children seem to have indoor PE missing, so could you please check this and send in any missing items - thank you.

Mrs Pickles/Mr Wilkinson – Blue Class

HLTA Mrs Hayward

We are moving on to the 11x table in division form, e.g.: $55 \div 11 = 5$.

After half term maths we will be working on 2D shape.
